Equi Stone
The Complete Equestrian

Competition and Training

Freelance Tuition - We offer qualified tuition for all ages and abilities on a one to one basis, semi private or group on your own horse or pony on the flat or over fences whether it be show jumping or cross country.

Breaking and Schooling - Within this schooling service we also offer breaking of young horses whether it is initial breaking, re-schooling, rehabilitation schooling such as resolving or schooling after injury or illness. Or schooling after a change of discipline such as race horse to show jumper or dressage horse. Individual requirements can be catered for.

Stable Management and Riding Workshops - Our workshops are a theoretical and practical approach to stable management and riding. The workshops are specifically aimed at the novice/first time horse owners, or parents of horse owners to give knowledge and confidence, with regards to the care and management of the horse and pony.

Training Sessions - Tuesday evenings during the summer from 6pm and saturday afternoons from 1pm during the winter consisting of flat and jump (show jumping/cross country (summer only))

Competition - Throughout the summer and winter we hold a series of shows. All competitions are subject to a points accumulation system with championships at the end of each series.
