# Special Occasions and Personalisation

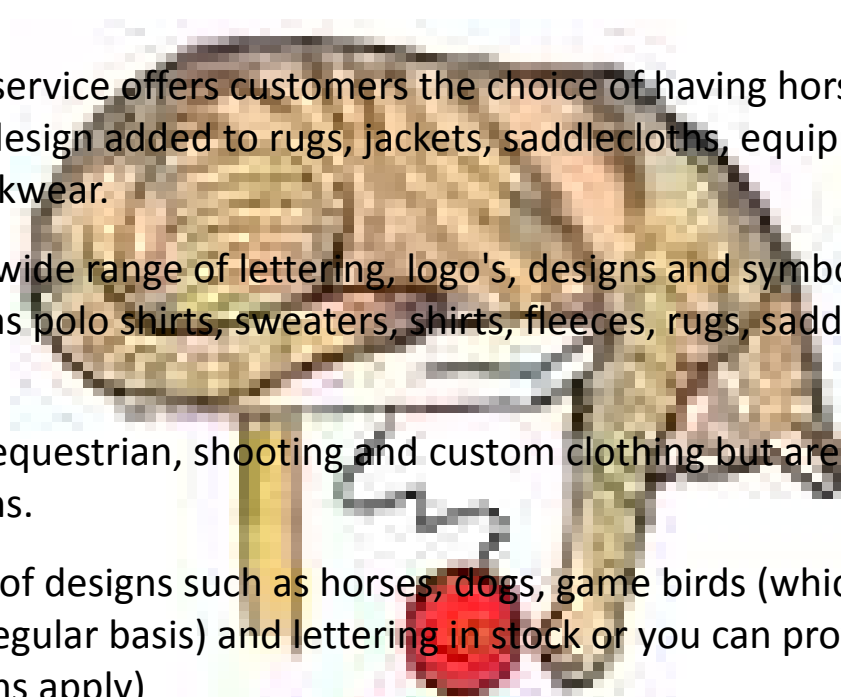

## Embroidery

Our embroidery service offers customers the choice of having horse's name, logo, pattern or design added to rugs, jackets, saddlecloths, equipment or displayed on workwear.

We embroider a wide range of lettering, logo's, designs and symbols to a variety of clothing such as polo shirts, sweaters, shirts, fleeces, rugs, saddlecloths to name a few.

We specialise in equestrian, shooting and custom clothing but are able to handle most items.

We have a range of designs such as horses, dogs, game birds (which is expanding on a regular basis) and lettering in stock or you can provide your own design. (conditions apply)

## Engraving

We can engrave letters, logos etc on to metal surfaces with use of a diamond tipped cutting tool providing a lasting shine.

This machine enables us to engrave onto almost any metal items such as trophy plates, headcollar plates, stable door plates, pet & ID tags, gift items, pens, keyrings and metal machine labels.
