Stable Management and Riding workshops and courses

Equi Stone Horse Care and Riding Certificate

The Horse Care and Riding Certificates are offered at 12 levels of knowledge with regards to the care and management of the horse and riding. These certificates are aimed at the first time owner, parent of horse owner and potential owners, but they are also suitable for those candidates who are working towards BHS/NVQ or Pony Club exams. Each level will be assessed in the form of a written paper, which will be completed under examination conditions, and a practical for the stable management and riding.

The horse care and riding certificates can be studied separately whether you wish to do the horse care or the riding. The pass mark for each level is 60% and successful candidates will receive a certificate for each level attained.

Equine Laundry and Repair

Its summer and the horses are not wearing as many rugs, before you put them away why not make use of our laundry service and have your stable rugs wash and turnout rugs washed and proofed.

All types of rugs, boots, numnahs, etc washed and repaired. All items are hand prepared and hair removed before washing. All re-proofing is carried out using nikwax products. We offer a collection and delivery service free of charge. (conditions apply) We offer discount on bulk orders, please contact us for details. All repairs carried out by qualified seamstress.

For more details contact us or visit the website.

Equestrian Library

At Equi Stone we aim to provide access to books that offer information for further studies, whether you are working towards qualifications or want to gain further knowledge.

we also provide books on a wide range of competition and training, dressage, show jumping and cross country

Within the library we offer access to a wide selection of books and DVD's on areas such as care and stable management, riding, breeding and much more...

We have a wide selection of books and DVD's available to purchase from our on-line shop
