Training Sessions

Tuesday Evening training sessions during the Summer on a weekly basis consisting of a variety of activities such as flat, show jumping, cross country, riding & road safety, loose jump and pick your own. Each session starts at 6.30 pm.

This year we have added a special test session on each of the main activities. All those who attend the test dates will receive a certificate, with Gold, Silver and Bronze Certificates awarded to those who attain the highest marks.

The test sessions are an assessment to see how horse and rider are progressing. In the flat a dressage test is to be ridden and in the show jumping and cross country a course is to be ridden.

Please book by the Sunday evening before the session to secure a place. In the event we have too many for the first session a second session can be added . Each session costs £10 each.

For further details please contact us (details on back page)

Any changes and/or updates will be posted on the website.
